Ružomberok town hall can obtain about 2 millions € from grants and funds this year. „In the mid of February it is the closing of applications, in the frame of which we will submit the project of lighting modernization in the municipal district Rybárpole and Hrboltová in the amount of 265.5 thousand €,“ Pavel Scheer, responsible for obtaining grants and their implementation, told. The town hall can also obtain 1.16 mills € for reconstruction of the Elementary school Bystrická cesta. The town intents deferring the project on the Elementary school Sládkovičova revitalisation, at price of 465 thousand €, after its unsuccessful previous appeal. „We think of the common project of Hrabovská and Čutkovská valleys revitalization. We will also submit the project of Andrej Hlinka mausoleum renewal in the value of 133 thousand €. It is leaking in to the mausoleum longer time namely,“ Scheer supplemented.

The town office has also prepared applications for over-border co-operation with Moravian Kroměříž and Poland Rzeszow. The project of the Klačno housing development revitalization will apparently be set by for year 2010. „We applied the interposed appeal against the not approved project of the water-main, the canalisation and the access road to Malinô Brdo and we will utilize all corrective means,“ Scheer told. Previous year the town hall tried to obtain money for renewal of the kindergarten Riadok or interconnection of Bottova and Bystrická cesta Streets. „Both actions will be realized from the town own sources this year,“ he remarked.
