Skanska BS, a.s. Prievidza Company will reconstruct Nitrianska cesta at Trnava by the building-up of the new roundabout at the price of 2.950 mills €, VAT excluded. Building works would last 21 months, while probable ratio of sub-supplies presents 10.2% of the price. The opening expected price of the order achieved 3.651 mills €, VAT excluded. The contractor succeeded in public tender involving seven accepted offers, when the lowest price was decisive. The Slovak Administration of Roads Bratislava is the investor.
