Although building works of the future shopping-entertainment centre Europe Shopping & Relaxation Centre (ESRC), which constructs the developer group VAV invest on the northern outskirts of the historical Zvolen SNP Square, fully began this week, from more than 21 thousand m<sup>2</sup> of rentable area is already occupied over 70%. ESRC should create 2 equally large parts linked by a glassed mole. The first is Europe shopping centre, which they began to build in the locality nicknamed Jama (the Pit). It will have two aboveground floors with a rentable area of 10 500 m<sup>2</sup> for shops, cafes, and services and an underground parking. The 2nd part will be the 3-storied Relax centre on the lands where now stand the former cinema Mier (Peace) buildings and lodging houses for workers. A part of this object will also be two cinema halls, a fitness centre and later a parking house for over 400 vehicles.
