

Acclaim of ASB GALA evening 2009 Awards

Author: Jaga Group / Jup | Published: 02.06.2009

The monthly ASB and the publisher JAGA in collaboration with the weekly Trend organized the 3rd annual ASB GALA evening, the culmination of which was the acclamation of the annual awards in the field of architecture, construction and business. The winner of the main awards determined by the professional jury consisting of personalities of the Slovak construction, architecture, state administration, representatives of branch unions and chambers. Major awards obtained Ing. arch. Lubomír Závodný - ASB - Personality of Architecture and Construction, HB Reavis Group, a.s. - ASB - Developer of the Year and Hornex, a.s. - ASB - Construction Company of the Year. However, about the winners determined not only experts but also the public through the professional portal www.asb.sk. From the public voting the winners were Ing. arch. Dušan Fischer - ASB - Personality of Architecture and Construction, Ballymore Properties, s.r.o. - ASB - Developer of the Year and SkyBau, s.r.o. - ASB - Construction Company of the Year.
