The campus of the new brown industrial park at Tornaľa is to be reconstructed within two years by the group of companies D. V. L., s.r.o. Strečno and Slížstav, s.r.o. Bratislava at the price of 6.898 mills Euro, VAT included. The investment is to be co-financed from EU funds thought OP Competitiveness and economic growth. According to the mayor of Tornaľa L. Dubovský, in addition, three new halls will be built. „Negotiating with firms in Italy, which in the spaces of former Ozeta brought clothing production, it means also light industry,“ he said. After arrival of investors about 240 job positions should be created.
