In 2009 Bratislava Petržalka also carries on the revitalization of playgrounds. Till the beginning of summer holidays it plans to revitalize 7 - in Andrusovova, Prokofievova, Pifflova, Topolčianska, Haanova, Pankuchova and Šintavská Streets. According to the spokesman of Petržalka Ľubomír Andrassy the urban district wants to revitalize 19 playgrounds this year. The self-administration earmarked more than 250 thousand Euro in the budget for the construction works. In the playgrounds there will be added new game elements, a sand area, fences, bins and seating options extended.
