The flats and houses of the property development company FINEP will be also offered in the network of the real estate company RE/MAX. “RE/MAX is the biggest real estate agency in the Czech Republic. Cooperation with its sales network in Prague and Central Bohemia means that we will have access to a major distribution channel,” said Vladimír Zuzák, FINEP’s Chief Sales Officer. “I believe our mutual cooperation will bring benefits to both parties,” said David Krajný, President of RE/MAX Czech Republic and Slovakia.
