

# Bonus Group joined Century 21

Author: SF / zs | Published: 18.08.2009

The Czech branch of the largest world real estate chain Century 21 acquired another big player on the local real estate market. Eight branches of the real estate Bonus Group, the local number one in sale of developing projects with the yearly turnover of sold real estates over four billion crowns, moved under the trade mark Century 21.

The company Bonus Group was established in 2000 and offers real estate services in the Czech Republic, in Slovakia, in Russia and in the USA on Florida. The company Century 21 was founded in 1971 in the USA and today it operates in 65 countries in the world.
