J&T Real Estate has obtained new money for the Tower 115 project from the German bank Berlin Hyp, specialized in the funding of real estates. At the end of September, the company signed a contract for a medium-term loan of EUR 46 million. “We found a very strong, flexible and professional partner in Berlin Hyp,” said J&T Real Estate’s CEO Pavel Pelikán. Tower 115 is one of the most important office projects in Bratislava; it offers over 38,000 square metres of area for lease and currently is fully occupied by profitable tenants.
