

In Prešov Delňa started to build a water park

Author: SITA - Slovak News Agency | Published: 03.11.2009

In the area of the natural swimming pool Delňa in Prešov laid the cornerstone of the water park, which will grow here till November 2011 at the cost 10 232 550 €. The investor is Prešov company Šovar that obtained 50% of investment means from the European Regional Development Fund to build the project of Kúpeľný dom (the Bathhouse). The Prešov Town Hall is contractually committed to build an infrastructure here (a parking area with the capacity of 95 cars, bus stops, access routes and utilities). Construction will take 30 months; the contractor is Ekoprim.
