

# In Piešťany will grow the recreational complex for 50 millions €

Author: SITA - Slovak News Agency | Published: 03.11.2009

Near by Piešťany should grow a new recreational-relaxation complex on the area of almost 40 thousand m<sup>2</sup> at the price of approximately 50 million €. Bana Thermal Company plans to complete the reconstruction of the original thermal baths Sĺňava II in the cadastral territory of the village Bank. 265 jobs ought to create here. The investor wants to start the project in April 2010, its finish plans two years later. In addition to an indoor and outdoor thermal swimming pool it will build 2 separate hotels. One hotel would be with the capacity of 121 rooms for yearlong tourism and the second one (163 rooms) for the purpose of congress tourism.
