

ProLogis leased an additional space in the park near Bratislava

Author: SITA - Slovak News Agency | Published: 18.11.2009

ProLogis Company signed a lease agreement on additional 6 thousand m² of storage space in a park near Bratislava with an outstanding Austrian specialist in transportation and packaging services for food and beverage companies. The new building will play an important role in the operations of storage and distribution services to customers in Slovakia and neighbouring countries in the Central and Eastern Europe. The Company leases in ProLogis Park Bratislava over 12 thousand m². It operates 3 distribution parks with the area of 387 thousand m² in Slovakia, strategically located near main roads.
