Bratislava town-district of Petržalka should complete several larger investment projects in 2010. Projects such as window changing and roof repairs of pre-schools and primary schools, run by the town-district, should continue. It took a loan of EUR 5 million this this, despite the financial crisis. „We will pay off from what we save,“ said Petržalka mayor Milan Ftáčnik. The supplier of work was selected in a public tender for 15 buildings, restorations of the rest of the 15 buildings of pre-school and schooling facilities as well as Vlastenecké square, Ovsišťe park and Janko Král' gardens are scheduled for next year.
