Ekospol has started selling new flats in the apartment complex Novy park Pisnice. There will be 109 new flats available during the first stage, with prices starting from CZK 1,4 mill. The apartment complex Novy park Pisnice consists of two, three and four storey villa-like houses with pitched roofs, thanks to which they fit in perfectly among the existing villas in their neighbourhood. Ekospol is offering a total of 109 flats in a wide choice of sizes ranging from studios (27,8 m²) to two bedroom flats (68,6m²).
