

Bouwfonds starting residential project Biografy

Author: SF / pb | Published: 27.04.2010

The first house of the residential complex Biografy by the property developer Bouwfonds is under construction on the outskirts Prague's Barrandov. 50 % of flat units were sold before the start of construction of the house Adina and the sales now reached 63 % of the 19 flats. The house has 6 above-ground floors and 1 underground floor, it offers flats with layouts ranging from studios to 3-bedroom flats with areas of 67 m² to 145 m² . The total investment amounts to approx. CZK 80 mill.
