The company Euro Mall Hradec Králové Real Estate - a joint venture of TK Development, Heitman Central Europe Property Partners II and GE Real Estate - started construction of shopping centre Futurum Hradec Králové expansion. The completion of construction is expected in May 2012, Futurum will then offer more than 100 shops on the area of approximately 35,000 sqm. Futurum shopping centre is located near the city ring-road and its position allows easy access for cars, pedestrians and public transport lines. Since its opening in 2000, the centre has welcome approximately 6 million customers every year, who were offered services of 67 shops, Tesco hypermarket and Cinestar multiplex cinema. The property developer of the expansion is TK Development, general contractor is GEMO Olomouc, architectural design was prepared by KRR Architektura.
