CB Richard Ellis Group (CBRE) announced the acquisition of Euro Mall Centre Management (EMCM), a company specialising in the management of shopping centres and malls across Central and Eastern Europe (CEE), extending CBRE's offering to clients and its leadership in the European retail sector.

Founded in 2002, EMCM offers property and asset management services across five key CEE countries - the Czech Republic, Slovakia, Poland, Latvia and Lithuania - for clients including INVESCO, ING Real Estate Investment Management and Carpathian Asset Management. EMCM has around 200 employees and manages over 40 properties region-wide, covering more than 658,000 sq m with over 2,400 tenants.
