

PwC will relocate to City Green Court

Author: SF / pb | Published: 02.08.2011

PwC will relocate to new office space in an established office area of Prague 4, Pankrác, where they signed a lease for 12,000 sqm in the City Green Court project. It received Platinum LEED pre-certification, and is the first building in the Czech Republic, which is proud to have this award. PwC plans to move at the beginning of 2013.
