Colliers International takes great pleasure in announcing the appointment of the newest member in the Colliers team, Jana Vlkova, who will take over the role as Director of Office Agency, Czech Republic.

In addition to heading up the Tenant Representation Department, Jana will also be responsible for launching a Landlord Leasing Department; a new service intended to complement Colliers existing agency services. Jana was also brought on to assist in establishing Colliers International's Real Estate Management Service (REMS) in the Czech Republic, which is soon to be launched to complement the service throughout the CEE region.

Jana comes to Colliers International from the Bank Austria Real Invest Asset Management CR, where she held the position of Managing Director for 6 years and was responsible for providing full asset management services to internal and external clients. Jana was the Asset Manager of a portfolio of 9 properties in Czech Republic as well as Slovakia with a total value of ca. EUR 200m and a lettable area of close to 100,000 sq m. Having worked in the Czech real estate industry for more than 12 years in companies such as PBW Czech Republic and DTZ, Jana has acquired a vast amount of experience in letting, asset management, marketing, and both tenant and landlord representation. Jana was also one of the founding members of the Czech branch of the Royal Institution of Chartered Surveyors (RICS) and held the post of Chairperson for 3 years and was a member of the RICS Europe Board.
