The Hlohovec city obtained approximately two millions of Euro from the Regional operational program for entire reconstruction of two elementary schools. ES Podzámska obtained approximately 1.22 millions Euro and ES M. R. Štefánika approximately 830 thousand Euro, as the town speaker, Eva Uhráková, told. „The means will be used for renovation of front sites, buildings warming, replacement of windows and purchase of interior furnishing,“ Uhráková told. Moreover she told that reconstruction of schools is needed from emergency state of objects point of view and due to savings in energy consumption as well. Time horizon of the reconstruction will be known after an agreement with MVRR SR is closed. The condition of the means to be obtained was to provide 5-percentage co-financing from the town side.

The Hlohovec town has 5 elementary schools upon their founder competency. ES Podzámska belongs to the largest ones in the town; it is attended by almost 600 pupils. ES M. R. Štefánika makes up the historical part of the town, what was the main reason of its implementation to the list of applicants for subsidies, as to the speaker. The town also plans reconstructing ES in Koperníkova Street in future; the project is to be applied in April.
