Karel Stransky has been appointed Managing Director at Colliers International's Czech Republic office, based in Prague. Before taking this position, Mr. Stransky had been the Czech office's Director of Industrial Services for 13 years.

“Given the current economic crisis, the commercial real estate business requires Karel's expertise and marketplace knowledge in quickly analyzing and understanding market trends and creating successful strategies. He has been an efficient and flexible team leader as our Director of Industrial Services for many years and that is why we've decided to appoint him to lead the Czech office,” says Otto Jelinek, Chairman of Colliers International Central & Eastern Europe.
