

# Myjava announced the tender for the polder for 1.2 million Euro

Author: SITA - Slovak News Agency | Published: 09.06.2009

The Myjava town announced the tender for the treatment of the polder (coastal areas) Svacenický jarok (Svacenický ditch) at the estimated value of 1.195 million Euro, VAT excluded. The subject of the invitation to the tender is in particular the planting substituting bank greens in the cadastral area of Myjava and Turá Lúka, grassing and building fences, planting shrubs and trees in forest belts (26 thousand pieces), a bank vegetation (2 492 pc) and around the polder (2 008 pc). The subject of the order will be financed from own funds and structural funds. The contracting authority has not financial means available, but applies for a non-refundable financial contribution - from the operating environment.
