

MK intends to announce the tender for administration of property

Author: SITA - Slovak News Agency | Published: 21.07.2009

Ministry of Culture (MK) intends to announce the tender for operation and administration of departmental property. MK assumes that for complex services of administration and operation for each specified property will pay separately 16.5 million to 17.26 million Euro, VAT excluded. It appears from the preliminary notice published in the Journal of Public Procurement. Announcement of the tender deadline has not been published yet.
